

EASTON SCHOOL DISTRICT NO. 28  
EASTON, WA 98925

BLANKET FIELD TRIP PERMIT 2016-2017

Dear Parents:

Students in the Easton School District will participate in field trips as a part of the school program throughout the year.

Field trips grow out of the instructional program and serve to stimulate and add meaning and depth to classroom study. Field trips are a part of our regular classroom work and will be under the same careful supervision which your child has while at school.

Occasionally, the children will walk on these trips; however, school transportation will be used when the distance warrants it.

In order for your child to make the trips, and in case an accident or illness occurs, it will be necessary to have your approval for the trips and medical treatment, if required. You can express your approval by signing the slip below.

You will be notified in advance of the field trips and their specific purposes.

As parents, we fully understand the added responsibility of these field trips and will not hold the District responsible for the added liability.

\_\_\_\_\_ has permission to participate in all field trips connected with the school program for the 2016-2017 school year.

If it becomes necessary that my student be attended by a physician during the field trip, Easton School has my permission to authorize the administration and performance of all needed medicines and surgical treatments and the administration of any anesthetics, which in the judgment of the attending physician may be considered necessary or advisable.

I understand that my insurance company and/or I will be obligated to pay the fees in accordance with the regular rates and terms of the attending physician or medical institution attending my child for an accident or illness occurring during a field trip.

\_\_\_\_\_ Date

The above agreement is for the protection of your child in case an emergency occurs during a field trip so that treatment can be obtained as soon as possible. It is our policy to contact parents as soon as possible when an accident or illness occurs. Please list telephone numbers where you can be reached during the day, and, if they are different on the day of an out-of-town field trip, please notify the teacher.
