March 23, 2020

Dear Easton Seniors, parents/guardians,

It's been exactly one week after all K-12 schools were shut down in response to the COVID-19 situation. I know this is not the Senior Year that you were looking forward to but I want to reassure you that we will support you all the way to your graduation goals. For those of you in Running Start, Spring Quarter will be starting on April 8<sup>th</sup> and will be delivered all online. Please make sure to communicate with Angelia Riviera and myself if you have any changes from our planned schedules for Spring Quarter.

We will be learning more from OSPI later this week about what specific adjustments will be made for seniors and graduation requirements. I will keep you updated with all information and please contact me by email or phone 206 856-2711 if you have any questions or just need to reach out.

Graduation will still occur on Saturday, June 6<sup>th</sup>, as planned. However, we do not yet know if we will be able to have an in-person ceremony or some other creative way to celebrate your success. You have worked hard for 12 and 13 years (since pre-school for some of you), and we want to celebrate this amazing milestone as best as we can. We understand that Running Start Finals may occur the week following our graduation, but we will know the status of your course progress before our graduation, so keep doing your best!

One of the requirements for graduation is that you complete a High School and Beyond Plan (started in middle school and updated every year during your Advisory Class). This plan can be found in your Skyward page under the School Data Plan tab. If you don't see it in your Skyward home page, you can also complete a hard copy version of the plan on the following template link: [HSBP](#) . You should have completed a career interest survey in your younger years. And, you will need a current resume, so update yours or complete one if needed. The plan is a summary of your high school goals for now and your future goals so do your best to get it finished now. I can help look up your test scores if needed, but I don't have access to your PSAT, SAT, ASVAB scores so you will have to locate your scores through your collegeboard.org account.

Seniors, please know we are here for you. Reach out and we will get through this together!

In good health,

***Dawn Bechtholdt***
