

COVID-19 guidelines for Easton secondary students Gr. 7-12

PPE & Safety

- Wear a face covering while at school and on the bus. Please bring extras in your backpack. Avoid touching, or playing with your mask. – (teachers will demonstrate the proper way to wear a mask)
- Your wellness screening must be completed and turned in each morning before entry into the bus/school building. You will also get your temperature taken and asked to hand sanitize or wash your hands.
- Wash hands or use hand sanitizer:
At the beginning of the school day, before and after meals (when offered), after using the restroom, after sneezing, blowing your nose, or coughing. Wash hands for 20 seconds with warm water and soap. If you don't have access to a sink, hand sanitizer can be used.
- Avoid touching your face, especially eyes, nose, and mouth.
- If you are feeling sick, please let your teacher know.
- Students will wipe their own desks and chairs after class using the Sani-wipes provided by staff.
- Classrooms will be cleaned and sanitized daily, after students and staff leave.

Physical (Social) Distancing - keep six feet + apart at all times

- The desks/tables are placed six feet apart. Please do not move them.
- Please keep distance from your friends. Don't hug, high five, etc.
- Don't share your food, drinks, school supplies - pencils, markers, chrome books, etc.
- When you use the bathroom - one student in the bathroom at a time. Do not hang out with friends in the bathroom - it is not a socializing space.
- During transitions between classes and to and from the bus, keep 6 ft. + physical distance from your peers.
- Please follow your teacher's lead with staggering releases between classes
- Observe the One-Way traffic flow pattern by following the arrows on the floor while you are on campus and within classrooms.
- Please practice safe habits away from school and report any Covid-19 related symptoms to the office promptly.
- Bring your own water bottle, there are no available water stations.
