

Dear Easton School Supporter,

Easton School is in transition.

Those of us at Easton School want to increase our ability to provide programs for our students both inside and outside of the classroom. To do that requires funds. With the state's inadequate funding of small, rural schools like Easton, we cannot do it alone. This is where we need your help and your annual sponsorship of Easton School.

Easton School is the hub of our community. We want to continue that and improve what we can offer our students. As you know, Easton School has graduated students who have gone on to become successful estheticians, accountants, florists, mechanics, real estate agents, carpenters, and much, much more. This probably would not have happened without the caring and personalization that takes place every day at Easton School.

Would you consider becoming a sponsor of Easton School?

As a show of gratitude to our sponsors, we are developing a "sponsorship wall" in our school entry along with some other Easton items. The wall will proudly display your company's name and level of sponsorship for all to see.

We are offering levels of annual sponsorship beginning at just \$250 per year that can make a huge difference in our Jaguar community. All annual sponsorship funds are tax deductible and go directly to our Associated Student Body (ASB) account which means they **MUST ONLY** be used on student activities, arts, and athletics related expenses such as:

Field Trips	Coaches	Uniforms	After School Clubs
Referees	Activity Bus	Playground Items	Student Activity Fees

Our levels of annual sponsorship are as follows:	Gold Sponsors	\$1000 or More
	Silver Sponsors	\$500-\$999
	Bronze Sponsors	\$250-\$499

If you believe in the strength of Easton School, please see the attached for more information on our levels of annual sponsorship.

We look forward to hearing back from you.

Thank you and Go Jags!
