COMMUNITY PARTNERSHIP

Community outreach helps Easton students thrive! Easton actively works with camps including Camp Koinonia, Camp Orkila and Lazy F to provide students with team building skills, outdoor recreation, and outdoor learning environments. We also partner with programs like Mid-Columbia Fisheries to provide students an outdoor education experience relevant to the Yakima watershed!

MULTI-GRADE ACTIVITIES & OPPORTUNITIES

With a caring, and dedicated staff that support K-12th grade on one campus, students are provided with many opportunities to practice leadership and integrate multiple grade levels into whole school academics and field trips.

ESA ANIMALS

We have ESA animals on campus to help students regulate their emotions!
